(Quick descriptions are provided when you fill out form. Simply choose the ONE that BEST applies.)

Quota Club Signature Project

Area(s) of Focus*:

(Quick descriptions are provided when you fill out form. Simply choose the ONE that BEST applies.)

Health and Well Being

6 Questions About Your Project

1) Who did you help and how?*

Include as many details as you can - number of people helped, ages of those helped, name of schools or shelters, hours volunteered, and amount donated.

250 children (and their families) at Walter V. Long Elementary School by collecting 3 tons of canned food at local grocery stores. All food was given to the children's families to help ensure they are fed through the upcoming holiday season.

2) What other groups or businesses did you work with?*

Include names of groups you partnered with. Any businesses or sponsors that helped with funding or supplies. If this was a club-only project, enter 'none'.

Food Lyon grocery stores in Cleveland Park

3) How did you find out about this opportunity or need?*

Include if this project idea came from a member, a networking connection, the local police department, etc.

Grandchild of Club Treasurer is a teacher at the school and was aware of the high need among their low-income population.

4) Has your club done this project before?*

Include the number of years or times in a year if your club has done this project before - otherwise, enter 'first time'.

First time.

5) What did you learn from doing this project?*

Include anything that stands out while assisting the person or group you helped, things you learned about the needs in your community, or tips for other clubs who might consider doing this project.

It was so fun letting the children be a part of taking picking up the food and giving it to their parents. As we sent the school pictures of the food bins at nearby Food Lyons, they were filled with excitement when contents increased every week!

6) Is there anything else that you would like to tell us about the project or your club?*

It was great doing a food drive right at the entrance to the grocery store because it gave people the opportunity to buy something and donate it while they did their usual grocery shopping. They didn't have to try and remember to bring something from home, or stop by the store, they were already there!

IF OTHER CLUBS WANT TO TRY THIS - make sure you have access to large trucks and men willing and able to move the food. There was so much food donated that it became very difficult for us to transport the food without risking injury. Maybe reach out to local moving company to see if they want to join the effort?!

Don't Forget to Submit Photo(s) of Service Project!

We love to see the photos of your members serving others - all types of photos - from snapshots of checks being donated to members in action and women and children being served. Your photos help inspire others and gain visibility for your work.

If you have any photos from this project, please email them to staff@quota.org with the SUBJECT: "2018 [Your Club Name] International Awards Photos".

Please send LARGE or FULL SIZE high quality, individual photos only (MB).

You may upload UP TO 5 individual photos. We are NOT able to use collages or photos within documents.
