1) Why was this Quotarian was selected as your club's Volunteer of the Year?*

Please include as many details as you can. What is special about this person? In what ways has he or she made a difference for your members and your club? List all specific contributions in which your member has gone above and beyond the mark within your club.

Wanda has shown exceptional effort and talent in unifying new club members with those who have been in the club for years. She can be depended upon to extend a hand of friendship and support to those who are just starting to embark on the Quota path. Through her befriending, our club has received countless "fresh ideas" that have improved the planning and execution of our service projects and given the new members from whom these have come a sense of purpose and value in the club.

2) Has this Quotarian's effort also made a difference outside of your club, in the community? How?*

Include examples of the difference he or she made at a community event or how your club was able to make a greater difference in the greater community because of this person. List all specific contributions in which your member has gone above and beyond the mark out in the community.

Her befriending has led to an influx in new members this year, as new members recruit their friends. This, as a result, has given us more power to raise funds and serve the community, specifically the elementary schools from which many of our new members are employed.

3) Is there anything else about your Volunteer of the Year Nominee that you would like to share?

We can't imagine a club without her and are so grateful for her example of self-less service and friendship. Thank you Wanda!
